Ride together June 24th. Critical Mass is the last Friday of the month every Month of the year and the June Bike Month Ride is the Biggest. We Ride Rain or Shine. Bring all your friends so we can reach the goal of 1000 riders this year. Enjoy Safety and comfort in the car-free space that we create by simply riding together. When we work together, anything is possible. Imagine a city where human sized self propelled transportation is safe and easy. For the environment and for yourself.
