

*Stan Freyman Memorial Ride:*

# CRITICAL MASS in the 'WACK

**Ride on Friday July 1st (Canada Day) <<**  
**Join us for Chilliwack's inaugural Critical Mass**  
**At 5-corners Downtown : meet 11AM**  
**Young and Yale under the courthouse clock**

This first ride is in honour of Stan Freyman, a local resident who passed away in January. Stan was an inspiration to all self-propelled travellers. After he retired, Stan became concerned about global climate change and made changes to his lifestyle. He sold his SUV and bought a more fuel efficient car, rode his bike all over Chilliwack and took the bus for long trips. He dreamed of a Chilliwack Critical Mass Ride. Stan was living proof that it is never too late to change. With this ride we honour his commitment to life long learning and his efforts to improve the world in simple and practical ways.

**You:** are invited to enjoy the safety and comfort in the car-free space that we create by simply riding together! Critical Mass is a leisurely group bike ride and skate; together we reclaim public streets. Mass rides have been taking place around the globe for many years - and in Vancouver on the last Friday of every month. On the first Friday of the month, July 1st some folks involved in Vancouver's Critical Mass will be visiting to help Chilliwack start out. Costumes, musical instruments and kids of all ages are welcomed to join!
